

Feb 2015 Newsletter

30th World Congress of the IALP, Dublin, Ireland | 21 - 25 Aug 2016

- **Want to be a part of IALP Dublin 2016?**

In August 2015 we will be launching the [Call for Abstracts](#) for the congress.  
Ensure that you know the **difference** between the optional submission types:

[Oral presentation](#) | [Posters](#) | [Panels](#) | [Workshops](#) etc... [click here](#) to learn more.

### What will be discussed at IALP Dublin 2016?

The main congress theme is ***Creating the Future Now: Advancing Research and Clinical Practice***, which will be discussed further within the 3 main reports/plenary sessions during the congress:

- Neuro-scientific implications in assessment and intervention in acquired communication disorders
- Biological and environmental influences in prevention and early intervention in speech and language disorders
- Technological advances and innovation in voice and dysphagia

Ensure you are also aware of the **core areas and standing committees of the IALP:**

- Aphasia
- Child Language
- Dysphagia (Feeding, eating, drinking & swallowing disorders)
- Voice
- Audiology
- Multilingual Affairs
- Fluency
- Motor Speech Disorders
- Augmentative and alternative Communication
- Education – Speech & Language Pathology
- Education – Phoniatics
- Craniofacial Dysmorphias and Related Syndromes

Plenary speakers will be announced in March 2015 (next month!)
